

I will trust you Lord

I will trust you Lord! Thank you Jesus! Keep moving. Stay encouraged! I know I am fighting from a place of Victory! Jesus has never lost a battle! Trust and obey. Trust jn the Lord WITH ALL YOUR HEART and lean NOT TO YOUR OWN UNDERSTANDING. In all your ways acknowledge Him and he will direct your path. Stop trying to please people. Understand that a good idea is not always a God idea. I know from real life experiences that I would be much further in life if I would have trusted God and not my plan B and C. Plan A js the right answer! We often second guess ourselves and think our way out of the right choice. My Medical Billing and Coding instructor always told me to stop second guessing. She noticed that every time I changed my answer I would answer incorrectly. The first answer I would give was always correct. When I attended Johnson Bible College/Johnson University, Firebrand School of Ministry (FSM) and then Valor Christian College, I noticed that as long as I keep the first answer I would pass the test with flying colors. But as soon as I started being distracted by the wrong voices, passing the test became more difficult. Each time I learned to tune out all the distractions and voices that are not of the spirit of God, which put me in a place a victory! Tune out the extra ungodly voices. A good idea is not always a God idea. I pray that someday you will learn to know the difference in Jesus' name.
